

ARTIST – a colourful mix inspired by art

The new ARTIST collection is a tribute to the free association and artistic diversity of modern art from the first half of the 20th century. Each design has been developed with great passion and attention to detail to capture the abstract forms and expressive colours of this era. From the dynamic movements of Cubism to the vibrant colour explosions of Expressionism, combined with fine canvas structures, powerful brushstrokes and interesting textile looks - ARTIST is inspired by the fascinating world of art. Like all wallpapers from our manufactory, the ARTIST collection is produced exclusively in Germany. We do not use PVC, plasticisers or solvents and therefore guarantee 100% healthy living. In addition to the creative wallpapers, the FINE PAINTS wall colours also lend an elegant and new look.

Immerse yourself in the world of artistic freedom and let your walls become a canvas for your own creativity.
