

Happy inner Child by Anna

We were all children, or deep down we are all children and still carry within us the wishes and dreams that we were not allowed to live out as children. These are our inner children.

Each of us can heal our inner child, cherish it and make it happy.

Feel and see life in all its colors, put on your inner smile every day and be free from inner shackles.

This is the inspiration for this colorful, vibrant collection that was born deep in my heart. And I am so grateful and happy to be able to share it with you.

You will find feelings and emotions, colors and contrasts.

My heart's desire is to bring a ray of sunshine to your home, to give you some lightness and magic and to put a smile on your face.

Let yourself be inspired and dive with me into the colorful magical world of dreams.

Warm creative greetings

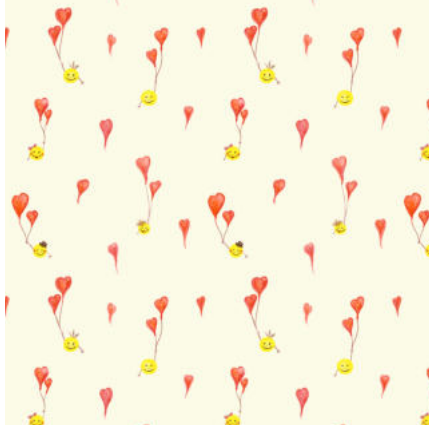

Anna
